

Kari Pnacek is a licensed Real Estate Agent with MID-LAND Realtors. Prior to real estate, she spent over 17 years in the human resource/customer service in the medical field. She and her husband own a rapidly growing commercial construction company and a Tropical Smoothie Cafe Franchise in Big Rapids. Kari offers our clients knowledge of residential, commercial and property management. She also has experience in the construction, real estate and management of investment properties. Kari has a vast knowledge of the commercial construction industry and selecting the best locations that have the most impact for any business.

Born and raised in Midland, MI, she is married and raising two daughters. She supports her children by volunteering with school activities, basketball, lacrosse and competitive dance. She also volunteers for Habitat for Humanity and United Way.

Kari is a member of
